Notice of Determination of an Application for a Definitive Map Modification Order

Application No:	S140078
Effect of Application:	To add a footpath along Back Lane from Church Lane to Canal Lane, East Cottingwith

Notice is hereby given in accordance with Paragraph 3(3) of Schedule 14 of the Wildlife and Countryside Act 1981 that the East Riding of Yorkshire Council has considered all evidence available, including that submitted with the application and that arising from consultations and further investigations.

The evidence establishes that a footpath for the full length of the claimed route cannot be reasonably alleged to subsist over the claimed route.

The application is rejected.

However, the evidence establishes that part footpath and part byway open to all traffic can be reasonably alleged to subsist over the claimed route.

Every local authority whose area includes the land to which the application relates has been consulted and the East Riding of Yorkshire Council has decided to make an Order to record a footpath leading northerly from Church Lane and a byway open to all traffic leading easterly to Canal Lane.
