# COAST SEA & SKY

A Celebration of the  
East Riding's Coastal Environment

**Sunday 23rd of August 2009**

10.00am – 3.30pm

This will be the first ever environmental celebration event to be held at Sewerby Hall and Gardens.

The East Riding of Yorkshire has a wonderfully varied landscape with many environmental attractions from glorious gardens to spectacular nature reserves.

This event will be a chance to learn more about these places and experience how people live, work and play within the environment itself.

This environment celebration will be a day for people of all abilities to join in arts and crafts, buy local produce, learn about local wildlife and support environmental and wildlife charities.
