Although the grass etc near to the entrance that the builder's had made whilst renovating Mr. Healey's property (The Old Post Office) had been reinstated cars were having to use the area to be able to pass, it was agreed that we contact Highways for the area to have a passing place there. It was noted that a property in Newbald was using the garden has a "dumping" area for building materials, this to be passed to Newbald. The wall at the church was still in hand and would be reinstated as soon as possible. It was noted that rubbish had been left by runners/ramblers on the 8<sup>th</sup> March last, clerk to contact organisers of the event to ask them to remember to remove any rubbish they had. It was noted that at the moment no decision from the secretary of state re Denton Lane had been received to date.
