

Local Pension Board

Key Features

For the first time, you have the chance to help with the running of the ERPF, at a local level, to ensure the Local Government Pension Scheme (LGPS) is well managed.

The key features of the ERPF LPB are:

- It will consist of 3 member representatives and 3 employer representatives.
- All representatives will have voting rights and will elect the Chair from the LPB representatives.
- Members will serve for three years
- Meetings will take place four times a year in Goole and members of the LPB should be willing to attend induction and training sessions where required.
- The representative roles will not be remunerated but travel and subsistence expenses will be paid.
- ERPF LPB will play an oversight role, with the decision making body remaining the current ERPF Pensions Committee. ERPF LPB will ensure that ERPF is complying with the LGPS and other relevant regulations including investment and administrative regulations.
- The role will involve reviewing the financial aspects of pension fund management, including investment elements, and it is desirable to appoint a person who can bring an appropriate level of knowledge with them,

More information on the role of the ERPF LPB is set out in the Terms of Reference
