

TERMS AND CONDITIONS

I understand that the permit is only valid for myself to dispose of household waste and I understand that the permit is not valid for anybody else's waste or any type of commercial / trade waste.

I have permission and insurance to use the vehicle for personal use.

It is an offence under the Environmental Protection Act (1990) to dispose waste illegally. Commercial waste, including recyclable materials, cannot be disposed at any Household Waste Recycling Site in accordance with the Waste Management Licence. The site operator, FCC Environment, has been instructed not to accept any commercial waste.

East Riding of Yorkshire Council monitors site usage and reserves the right to make further enquiries of the owner of the vehicle and at the premises from which the waste originated. Details may be passed on to the relevant enforcement officers.

Waste needs to be carried safely and vehicles bringing waste to the site should at all times comply with the Road Traffic Act (1988).

Permit applications are limited to one per household, per year. Up to two vehicles can be registered to one set of permits.

Declaration

I confirm that the waste I wish to dispose is household waste arising from my own home and for which I have not received payment. I understand that any abuse of a permit will lead to it being withdrawn.

PERMIT APPLICATION

HOUSEHOLD WASTE RECYCLING SITE

COMMERCIAL VEHICLE AND LARGE TRAILER PERMIT APPLICATION FORM.

Working in partnership with FCC Environment.

PERMIT INFORMATION

HOUSEHOLD WASTE RECYCLING SITES ARE FOR HOUSEHOLD WASTE ONLY. IT IS ILLEGAL TO DISPOSE OF COMMERCIAL WASTE HERE.

This scheme applies to East Riding of Yorkshire Council residents who use:

- Vans
- Pick-ups (2-door)
- Branded or sign-written vehicles
- Trailers over 6ft x 4ft (1.8m x 1.2m)

Please see the grid on the next page for further details.

Permits are not available for those living outside of the East Riding of Yorkshire.

The permit system addresses a range of issues, including the illegal disposal of commercial waste and improved health and safety.

Six permits are available **FREE** each year for residents disposing of household waste from their own home.

To apply for permits as a new user or to renew your existing permits, please complete the application form.

Please note:

- You will only be eligible for more permits at least a year after your permit issue date, which is shown on the permits.
- Permits no longer have an expiry date. You can continue to use them providing all information on the permits is correct.
- If you have changed your vehicle less than a year after the permit issue date, please complete the application form and return your remaining permits and garden waste pass to us. Updated permits and a new garden waste pass will be posted out to you.

Simply complete, sign and return the application form.

GARDEN WASTE PASS

You are no longer required to hand in a permit if you are bringing garden waste only to the site, eg grass cuttings, hedge trimmings, leaves. You will receive a garden waste pass along with your permits which you must show at the site before you tip your waste.

WHO REQUIRES A PERMIT?

Car		No permit required
