Give your reasoned case as to how the evidence submitted with this application proves on the balance of probabilities that a Definitive Map Modification Order should be made to amend the Definitive Map and Statement. The enclosure Award states page 42 "another Private Road thirty feet in breadth beginning of the south east corner of an allotment herein awarded to John Scholefield containing eight acres and two perches and extending westwards to the canal". The way is on the list of streets and therefore maintains it vehicle rights.
