Dear Mr. Palmer,

RE: East Riding Strategy Document and Allocations Document Examination

Thank you for your letter dated 17 July 2014 regarding the examination of your strategy and allocations documents, and the duty to co-operate.

With respect to the effect of the plan on North East Lincolnshire, we consider that there are no out-standing issues to be resolved.

We would like to remain on your consultation database, and would like to request that we receive any updates issued as your documents progress through the examination process.

Yours sincerely,
