Notes for Guidance

Applicants must use this form to certify to East Riding of Yorkshire Council that the requirements of
the legislation have been met, namely that the applicant has

- served notice (using a completed Form B) on every owner and occupier of any land to which
the application relates, and
- if, and only if, this has not been possible since the landowners/occupiers cannot be
determined, that notice has been served by posting notices at each end of the route in
question and the land where the landowner is unknown

This certification completes the application process. The names and addresses of all individuals
notified must be listed overleaf (continue on a separate piece of paper if necessary). Please indicate if
you have been unable to identify all owners and occupiers affected by the proposal.
