Beverley.

Dear Sir,

I am writing to request that you register and record the fact that we have revoked a permission granted to individual members of the Beverley and East Riding Lawn Tennis Club to enjoy access to the club site on Seven Corners lane via the private occupation road running in a northerly direction from the York Road (between Nos 9 and 10, York Road) and passing in front of the two properties, Park House and Park Lodge, via their private driveways to the southern boundary of the Tennis club site.

The private occupation road in question is marked in yellow on the attached OS map and the private driveways of Park House and Park Lodge have been marked additionally in red.

Permission for access across the private driveway of Park Lodge was given by oral contract(unregistered) by the previous occupants of Park Lodge, Mr and Mrs Harper.

Your department has confirmed that no rights of way between Seven Corners lane and the private occupation road in question have been registered for the use of either the public at large or for Beverley Lawn Tennis Club and its members.

Thank you for recording the withdrawal of this permission for access as of the date of this letter.

I will look forward to receiving an acknowledgement of receipt.

Thank you for your attention.

Yours sincerely,

  
(Dr D.H.Ryan, Occupant and freeholder,  
Park Lodge,
