

CONSERVATION WALKS

These footpaths have been created along field margins to form circular walks linking to the village of Burton Fleming. The routes provide quiet access to the countryside and they should not be used for horse riding or wheeled vehicles. This land is in the Organic Farming Scheme with good views across the Wolds landscape. Hedgerow restoration and grassy margins are being managed to benefit wildlife and the landscape. Please keep dogs on the lead and take any litter home with you.

AREAS**

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends in September 2010.
