Subject: Barmby Moor Neighbourhood Area Application

John,

As discussed please could you arrange for John Skidmore to approve the attached decision record which will designate the Barmby Moor Neighbourhood Area. The proposed Neighbourhood Area is the Parish of Barmby Moor (excluding the Industrial Estate). The Neighbourhood Area excludes the Industrial Estate because this is included within the Pocklington Neighbourhood Area and Neighbourhood Areas must not overlap.

I have also enclosed the original application from the Parish Council and a schedule of responses as appendices. There are no responses that provide any concern.

The funding window for this designation (£5K) closes on 31 March so this decision should be signed off as soon as possible to ensure we cover our costs.

Kind regards,

Jess
