

## Precept Notice 2020

The Local Council elections held in May last year had led to a large number of new councillors being elected. A list of councillors is contained within this notice. This year we have continued to develop a Neighbourhood Plan, held a number of events including hosting the Tour de Yorkshire for a third time. East Riding of Yorkshire Council has completed the flood alleviation scheme for the town which has been tested with the rainfall received last Autumn. The scheme will help protect the town from future flooding events.

The Council has had to agree to raise the precept this year and this will be used to invest in our land and property. There are a number of potential projects including new footpaths at the Cemetery, new bus shelters on West Green and The Balk, new windows in the Old Courthouse as the current ones are rotten and only single glazed, a new notice board for West Green and refurbishment of the toilets at Pocklington Arts Centre.

The Neighbourhood Plan is due to be completed this year but it will take a while for it to be adopted by East Riding of Yorkshire Council.

Pocklington Arts Centre is celebrating its 20th anniversary this year. They are organising various events to celebrate this auspicious landmark.

Councillor Dean Hodgson—Mayor of Pocklington
