

Wildlife and Countryside Act 1981 Schedule 14
Notice of Determination of an Application for a
Definitive Map Modification Order

Application No:	S140035
Effect of Application:	Add a byway open to all traffic from Boynton Lane, Grindale to High Caythorpe Road, Rudston
Name of Applicant:	Mr Jackson

Notice is hereby given in accordance with Paragraph 3(3) of Schedule 14 of the Wildlife and Countryside Act 1981 that the East Riding of Yorkshire Council has considered all evidence available, including that submitted with the application and that arising from consultations and further investigations. The evidence establishes that a byway open to all traffic rights can be reasonably alleged to subsist. Every local authority whose area includes the land to which the application relates has been consulted and the East Riding of Yorkshire Council has decided to make an order to extinguish the highway rights with the reservation of a restricted byway. If this Order is successful the route will be added to the Definitive Map as a restricted byway.

This application is accepted.
