**Notice of Determination of an Application for a
Definitive Map Modification Order**

Application No:	S140110
Effect of Application:	To add a footpath along the old railway line in the parishes of Goodmanham and Market Weighton.

Notice is hereby given in accordance with Paragraph 3(3) of Schedule 14 of the Wildlife and Countryside Act 1981 that the East Riding of Yorkshire Council has considered all evidence available, including that submitted with the application and that arising from consultations and further investigations. The evidence establishes that a footpath cannot be reasonably alleged to subsist over the claimed route.

This application is rejected.

However, the evidence establishes that two restricted byways can be reasonably alleged to subsist over the claimed route.

Every local authority whose area includes the land to which the application relates has been consulted and the East Riding of Yorkshire Council has decided to make an Order to record two restricted byways along the old railway line in the parishes of Goodmanham and Market Weighton.
