

YEAR 7 ADMISSIONS TO SECONDARY SCHOOLS 2019/2020

Summary of how places have been allocated

Your child has been allocated a place in accordance with the local authority's co-ordinated scheme and the schools' published admission arrangements.

If your child qualified for a place at one of the schools named on the application form, they have been allocated a place at that school.

If your child qualified for a place at more than one of the schools named on the form, they have been allocated a place at the school ranked as the highest preference.

If your child has not qualified for a place at any of the schools named on the application form, your child has been given a place at their catchment area school, if a place was available, or at the nearest school maintained by the East Riding Council or academy in the East Riding of Yorkshire which has a place available.

Academy, Foundation and Voluntary Aided School – Other local authority area

If your child has been allocated a place at an academy, foundation or voluntary aided school, within another local authority area, you should write to the school confirming whether you wish to accept the place, or not, within 10 working days.

Appeals

You can appeal against the decision not to allocate your child a place at any of the schools named on your application form. **If you do wish to appeal, please contact the Admissions Team on (01482) 392100 to request an appeal form and guidance notes.** Complete the form and return it to the Admissions Team by 24 May 2019.

Waiting Lists – East Riding of Yorkshire Schools

For schools which are over-subscribed, waiting lists of unsuccessful applicants will be drawn up after the allocation of places. Children placed on the waiting list will be prioritised using the oversubscription criteria set out in the secondary school guidance booklet. In ordering the waiting list, no value will be placed on the date on which the application was received or the preference (first, second or third) expressed by parents on the application form. If places are not taken up or children in the relevant year group leave the school later on and pupil numbers fall below the published admission number, places will be offered to those receiving the highest priority on the waiting list.

If the applicant is given a place at the school named as their second choice, their child's name will be placed on the waiting list for the school named as first choice. If the applicant is given a place at the school named as their third choice, their child's name will be placed on the waiting lists for the schools named as first and second choice. If the applicant is not given a place at any of the schools listed on the application form, the child's name will be placed on the waiting lists of all three schools and their catchment area school if that school was not named as a preference on the application.

These waiting lists will only be maintained until the end of the autumn term 2019. However, the list will be deleted on 30 September 2019 and applicants will have to contact the School Admissions Team in writing or by email to keep their child's name on the waiting list to the end of the autumn term.
