

The ASC LeadER Digital Resource and Learning Hub is available to support the Adult Social Care Sector (in-house and Independent Sector Providers) within the East Riding. This provides a range of learning materials, eLearning and also information on training courses for the Sector.

Many resources are available without the need for an ASC LeadER Account, but more are available for those with an Account. ASC LeadER Accounts are available for Care Workers and Care Leaders in the East Riding. We have recently added the *Wellbeing Hub for Adult Social Care Workers*, which provides signposting and resources to help support health and wellbeing, particularly during the COVID-19 Pandemic.

You can access ASC LeadER on www.ascleader.co.uk. You can apply for an ASC LeadER Account on www.ascleader.co.uk/login/signup.php?.

ASC LeadER is provided free of charge and is funded by the East Riding of Yorkshire Council and East Riding of Yorkshire CCG. It is operated by the East Riding Social Care Academy, which is part of the East Riding of Yorkshire Council.
