

Care Homes can now contact City Health Care Partnerships (CHCP) Medicine Service by e mail to advise that CHCP Medicines Service is available to answer queries for medicines supply, medication related queries, and medication reviews.

If you have any medication issues / medication related queries or wish to request a medication review, then the CHCP Medicines Service can be accessed through the following e mail:

[chcp.carehome-support@nhs.net](mailto:chcp.carehome-support@nhs.net)

The Service is available Monday to Friday.
