Dear Alan,

## **Pocklington Neighbourhood Plan – Submission of the plan.**

Pocklington Town Council is submitting its Neighbourhood Plan and supporting documents for formal consultation as part of the next steps to have the plan made. The submission was approved at the meeting of the Town Council on 13 July 2022.

The files are being sent electronically to Chris Cole. The main documents produced by the Steering Group are being supplied as .pdf files but if any are needed as Word files then we can supply in that format if requested.

The plan has taken longer to produce than was initially envisaged. Chris Cole's advice and help has been of great value in getting to the submission stage.

Pocklington Town Council and the Pocklington Neighbourhood Plan Steering Group look forward to the next stage in the process of getting the plan made. If there is anything else we need to do please contact us.

Yours sincerely,

*S. McCann*

Cllr Steve McCann
